SUBJECT: LEGISLATIVE ACTIVITIES REPORT

SUMMARY OF RECOMMENDATION:

This report is for information only.

EXECUTIVE OFFICER'S REPORT:

State Legislature

State Legislators convened on January 4 for the 2010 legislative session. CALAFCO supports a bill that is already in Committee. Assembly Bill 419 (Caballero) clarifies language on the number of days that a Board of Supervisors or City Council has to set an item for election (Government Code 57000).

CALAFCO Legislative Policies

The CALAFCO Legislative Committee met on December 18 to begin work for the legislative year. Napa LAFCO proposed controversial changes regarding service extensions outside an agency's boundaries. On January 15, the CALAFCO Board of Directors considered that proposal but took no action. The Board approved 2010 Legislative Policies, attached for reference.

Respectfully Submitted,

Kate McKenna, AICP
Executive Officer
